- sc2tog – single crochet stitch together
- st(s) – stitch(es)

If you need guide with the stitches, you can always check my blog post about Basic Crochet Techniques [HERE](#).

NOTES

- Chain 5 at the beginning of each row is considered as one double crochet stitch and two chains
- Make sure to leave at least 3" of yarn for securing/weaving the end.
- My finished bookmark measures approximately 1.5" wide and 7.5" long (10.5" with tassel/rope tail).
- Any variations to hook size and yarn weight will also result in a different-sized bookmark.

PATTERN

Start by making 18 chain loops.

Row 1: sc into the 2nd ch from hook, sc into each of the next remaining foundation chains, ch 1, turn. (17 sc sts made)

Row 2–Row 3: sc into each of the sts, ch 1, turn. (17 sc sts made)

Row 4: sc into the first 3 sts, ch 5, skip 3 chains, sc into each of the next 5 sts, ch 5, skip 3 chains, sc into each of the last 3 sts, ch 1, turn.

Row 5: sc into each of the first 2 sts, ch 3, sc into the next 5ch arch, ch 3, skip 1 sc st, sc into each of the next 3 sts, ch 3, sc into the next 5ch arch, ch 3, skip 1 sc st, sc into each of the last 2 sts, ch 1, turn.

Row 6: sc into first st, ch 3, sc into the 3ch arch, sc into the next st, sc into the next 3ch arch, ch 3, skip 1 sc st, sc into the next st, ch 3, sc into the next 3ch arch, sc into the next st, sc into the last 3ch arch, ch 3, skip 1 sc st, sc into the last st.

Row 7: ch 5 (count as 1dc + 2ch), turn, sc into the 3ch arch, sc into each of the next 3 sts, sc into the next 3ch arch, ch 5, sc into the next 3ch arch, sc into each of the next 3 sts, sc into the last 3ch arch, ch 2, dc into the last st, ch 1, turn.

Row 8: sc into the dc st, ch 3, skip 1 sc st, sc into each of the next 3 sts, ch 3, sc into the 5ch arch, ch 3, skip 1 sc st, sc into each of the next 3 sts, ch 3, sc into the 3rd chain of beginning 5ch below, ch 1, turn.

Row 9: sc into first st, sc into the first 3ch arch, ch 3, skip 1 sc st, sc into the next st, ch 3, sc into the next 3ch arch, sc into the next st, sc into the next 3ch arch, ch 3, skip 1 sc st, sc into the next st, ch 3, sc into the 3ch arch, sc into the last st, ch 1, turn.

Row 10: sc into each of the first 2 sts, sc into first 3ch arch, ch 5, sc into the next 3ch arch, sc into each of the next 3 sts, sc into next 3ch arch, ch 5, sc into the last 3ch arch, sc into each of the last 2 sts, ch 1, turn.

At this point, you'll see that you were able to form 2 diamond-shaped stitches from the completed rows.

Repeat from Row 5 to Row 10, 9 times more until it measures approximately 7.5 inches (or until you reach your desired length). My total number of completed rows to this point is 64 rows.

Do not cut yarn, continue crocheting the remaining rows below to create the tassel rope hole.

Row 65–Row 67: Repeat Row 5 to Row 7 one more time.

Row 68: sc2tog in the first sc st and in the 2ch space, sc into each of the next 5 sts, sc 5 times in the 5ch arch, sc into each of the next 5 sts, sc into the 3rd chain of beginning 5ch below, ch 1, turn. (17 sc sts made)

Row 69–Row 70: sc into each of the sts, ch 1, turn. (17 sc sts made)

Fasten off and weave ends.

TASSEL ROPE:

I used the same yarn as my bookmark and measured out a length of 235 cm. I then folded the yarn into three equal parts and inserted one end into the tail hole of the bookmark. Holding both ends of the yarn, I twisted it in the opposite direction until it was tight enough to hold its shape and form the rope I wanted. Finally, I made a knot, leaving about 1.5 inches of yarn at the end to create a mini tassel.

You can check [How to Make a Yarn Rope](#) video by Wylde & Plumb channel to make the bookmark tail.

Happy Crocheting!
